FINL	FINAL INSP	4

Type	Description	Seq
------	-------------	-----

Failure to complete required inspections may result in the expiration of your permit per FBC 105.4. Your permit will become expired should work not commence within 6 months of issuance, or if construction work is suspended or abandoned for a period of 6 months at any time after work has commenced. This is determined by Passed Inspections. Failed inspections, partial inspections, and required paperwork are not included in this determination.
